# 9 WAYS OF HANGMAN

The "Regular"

The "Fatty"

The "Giant"

The "Alien"

The "Saturday Night"

The "Zombie Apocalypse"

The "Snowy Day"

The "Tsunami"

The "Ikea"

# 1. The game by Bert

The main rule is very easy, need to guess the word before you hang!

- The hangman choose a word between 5 and 8 letters. (real)
- The player can choose one alphabet letter each time
- If the letter is correct, the player don't lose a life otherwise he loses a life.
- If you guess the word before the end of your lives you win!!

Hey you goin' to sleep?

Yes, now shut up

I think I figured out how to debug your program
